

270 King Street MELBOURNE VIC

2 1

A larger than average two bedroom apartment on the 12th floor in this increasingly popular building. The two generously sized bedrooms both with built in robes, compliment the large open plan living. The clever floor plan, with the granite and fully equipped kitchen set to the side, brings a bright and spacious feel to the living/dining area, this is further benefited from an east facing balcony, perfect for having breakfast on a sunny morning! Further benefits include; large family bathroom with European laundry, video security intercom and reverse cycle air conditioning. The building facilities include pool, spa and gymnasium. Is only a very short walk to Southern Cross train station and some of the most vibrant places in the CBD.
