The vast open plan living/dining area has been designed for optimum comfort and style. Full length windows flood the area with plenty of natural light and the split system heating and cooling ensuring your comfort no matter the season. The large balcony off the living area serves as a great place for a summer soiree and is the perfect place to watch the sunset over Docklands and Flagstaff Garden thanks to the North Western facing. By night there is no other place you would rather be than relaxing in your lounge enjoying the first class views.

The sizeable kitchen was designed for the aspiring master chef, featuring a large island bench finished in marble which is perfect for meal preparation, stainless steel European appliances, not to mention an abundance of cupboard space; it is the perfect place to put your culinary skills to the test.

The laundry is neatly hidden and tucked away so that there
